

NUMERICA FESTIVAL OF TREES

TREES & WREATHS

The Festival of Trees mission is to raise funds and awareness for the Numerica Performing Arts Center while celebrating the beginning of the Holiday Season.

The four-day Festival will transform the Stanley Civic Center into a festive forest of trees and wreaths, lavishly decorated for viewing and purchasing through live and silent auctions and a community raffle. All proceeds raised will go to benefit the Numerica Performing Arts Center and local arts. Join the celebration and support the Numerica PAC by designing and/or sponsoring a tree or wreath!

How would you like to participate? Choose from the options below, fill out your information, and mail this form along with a check (if applicable) to:
